### Readers to the Rescue

Friends of the Flathead County Library System are once again sponsoring *Readers to the Rescue (RTR)*. Here is how it works: Each time a participant reads 5 hours over the minimum, the Friends of the Library will donate \$1.00 to the *Readers to the Rescue (RTR)* fund (up to \$2000). For example, if a reader reads an extra 15 hours, the donation will be \$3.00.

The Flathead County Library System is excited to team up with D.R.E.A.M., a community non-profit organization that helps local children and adults with disabilities in our community enjoy skiing, rafting, kayaking and other activities!

## Program Descriptions

Aqua Adventures: Let's explore water and shore as we read about your favorite boat and make some boats we hope will float.

B-B-Bubbles: Blow and pop, bubbles will make you hop! Come listen to some bubbly tales and be prepared to get your hands wet.

Fantastic Frogs: Ribbit, swim and jump as we become frog "experts" while learning about these amazing amphibians.

Going to the Beach: We can't visit the ocean but we can still enjoy the beach! Join us for stories filled with sand, sun and fun.

Gone Fishin': Do you like to fish? Come hear about some "big whoppers!"

How to Become A Pirate: *Aaargh* and *ahoy matey!* Grab your eye patch and join us for some swashbuckling stories.

Squirrely Shirley Makes Waves: Meet Squirrely Shirley, a young squirrel who wants to learn to swim. Will she leave her tree house to make some waves? This program will be presented by award winning storyteller and puppeteer, Glenda Bonin.

Super Sharks: Have you ever seen a wobbegong? Did you know that baby sharks are called pups? Come and hear stories about one of nature's most feared creatures.

Turtle Time: Did you know that turtles once shared our planet with dinosaurs? Join us as we hear stories about these timeless creatures.

Under the Sea: We invite you to dive into stories featuring fascinating fish and other surprising sea creatures. Don't miss making a "Mermaid Bananarama!"
